

Notice to customers about changes to our AIB (NI) Euro Business Current Account Guide

We're updating our 'AIB (NI) Euro Business Current Account Guide' booklet. The changes will apply from 1 July 2026.

From 1 July 2026 we're removing the following service charges from our AIB (NI) Euro business current accounts.

We are removing these service charges:

1. When there is not enough money in your account to cover a payment (Unpaid fee for direct debits, standing orders and cheques) - €10 per transaction.
2. When we put a payment through on your account but there is not enough money in your account to cover it (known as a Referral fee) - €5.15 per transaction.
3. When you ask us for a copy of a previous statement (Duplicate statement) - €10 per request
4. If a cheque has been paid into your account from another bank account, we will charge you this fee if the other bank, or branch decides not to pay the item (Unpaid cheques received) - €4.44 per cheque.

You'll be able to get a copy of the current Euro Business Current Account Guide on our website aibni.co.uk or if you would like a printed copy, please ask in your nearest branch.

Interest we charge you

Below are the different categories of interest you might pay, and these are explained below. You can find the current AIB (NI) Euro base rate and details about interest rates on our website aibni.co.uk You can also call our helpline on 0345 6005 925.

Debit interest

We work out debit interest each day on the overdrawn balance of the account. The debit interest rate that applies to your account depends on whether you have agreed an overdraft facility with us.

If you have agreed an overdraft facility with us, we will charge you the rate that we agreed with you at the time the overdraft was arranged. The rate will be a rate over and above the AIB (NI) Euro base rate.

If you have not agreed an overdraft with us, we will charge you the default debit interest rate applicable to the product.

Uncleared interest

When you lodge cheques from which the funds are taken from accounts with other banks, the cheques take a number of days to clear through the banks' clearing system. If you have an overdrawn balance and pay cheques into your account, the following will apply.

1. If the cheques you have paid in are not enough to cover the overdrawn balance, we will work out uncleared interest on the full amount of the cheques.
2. If the cheques you have paid in are for more than the overdrawn balance, we will work out uncleared interest on the cheques, but only on the overdrawn balance.
3. If your account is in credit and you lodge a cheque but then withdraw the money in your account, including some or all of the cheque you have lodged, before it has cleared, we will work out uncleared interest on the amount you have withdrawn from your account which had not cleared. In other words, when you make the withdrawal we will take the cleared funds (the amount your account was in credit) first before taking the uncleared funds (the cheque which has not been cleared).

Changes to interest

Interest rates may change. We will let you know about any changes in line with our terms and conditions.

Schedule of Transaction Fees and Charges applicable to the operation of a Euro Business Current Account on NSC 93-00-08

We have provided details of all our prices for the most commonly used banking services and facilities below. If we do not give a price for a service you want to use, please ask us and we will give you all the details you need. All fees may change in the future. You can also get information on our fees by visiting our website aibni.co.uk, or by calling our helpline on 0345 6005 925.

1. Transactions Fees

These charges are calculated at the end of February, May, August and November and are charged to your account in March, June, September and December. A breakdown of these charges will be sent out at least two weeks in advance of them being debited from your Euro Business Current Account.

⁽¹⁾SEPA zone = EU Member States, Iceland, Liechtenstein Norway and Switzerland. There are a number of additional SEPA zone territories. Other EEA currencies, supported by AIB, are: CHF - Swiss Franc, CZK - Czech Koruna, DKK -Danish Krone, HUF - Hungarian Forint, NOK - Norwegian Krone, PLN - Polish Zloty, SEK - Swedish Krona.

Please note that currency payments received after the cut-off time for that currency will receive value 1 day later than the value applied to payments received prior to cut-off time.

Footnotes

- (1) The maximum amount that may be transferred may be restricted by limits applying to AIB's delivery channels.
- (2) The SEPA zone is a common Euro payments area that include EU Member States and a number of other countries and jurisdictions. As the list of destinations changes from time to time, an up to date list is available on aibni.co.uk under the 'Help & Guidance' section and on the SEPA application form.
- (3) Unique Identifier is the information required to identify the bank account of the Receiver when processing a payment (for example the IBAN of the Receiver and the BIC of the Receiver's Bank). For all Incoming and Outgoing International Payments, We recommend using the IBAN of the Receiver's Bank Account and the BIC of the Receiver's Bank.
- (4) AIB's minimum execution timeframes for payments are indicative only. AIB does not guarantee that the payment will reach the receiving bank within the indicated minimum execution timeframe. Delivery times may vary. AIB is not responsible for failure of the receiving bank to pass on the payment to the receiver. Whilst AIB will process your payment requests in a timely manner, please note that due to local banking practices in certain regions of the world such as Africa, South America, the Caribbean and areas of the Middle East and Asia, delivery times and service may vary.
- (5) AIB's maximum execution timeframes for payments represent the maximum execution cycle permitted by law for payments in EEA currencies within the EEA. The actual execution timeframes are more likely to be reflected by the minimum execution cycles indicated. An additional business day is allowed for payments instructed on paper, but maximum execution time will not exceed 4 business days.
- (6) The cut-off time for Outgoing International Payments initiated by paper instruction is 11:00 a.m. in an AIB branch. The cut-off times for Outgoing International Payments initiated by electronic channels are available on the relevant channel.
- (7) When the 'Shared' charging option is used the AIB fees are paid by the AIB customer and all other charges (Intermediary and/or Receiver Bank charges) are paid by the Receiver. These Intermediary and/or Receiver's bank charges may be deducted from the payment amount before it is credited to the Receiver's account. Therefore the full amount of the payment may not be credited to the Receiver's account. An Intermediary Bank may not deduct its charges from the payment amount on a payment made in an EEA currency within the EEA.
- (8) Payment confirmations for Outgoing International Payments submitted via certain electronic channels (e.g. iBB) are available to customers on their International Payment Log.
- (9) The currencies and destinations available for sending International Payments may differ depending on the delivery channel.
- (10) EEA currencies include the following:
EUR = euro, GBP = Pound Sterling, CHF = Swiss Franc, CZK = Czech Koruna, DKK = Danish Krone, HUF = Hungarian Forint, NOK = Norwegian Krone, PLN = Polish Zloty, SEK = Swedish Krona.
NOTE: EEA currencies available for sending International Payments may differ depending on the delivery channel. The following EEA currencies are not currently available for sending/receiving International Payments. They are ISK = Icelandic Krona and RON = Romanian Leu.
- (11) The cut-off times for Incoming International Payments are available on in this guide and in your AIB (NI) Euro Business Current Account Terms and Conditions.
- (12) The National Sort Code (NSC)/Bank code is the six-digit number which identifies a bank and branch within Ireland/UK at which an account is held. NSCs appear on bank statements.
- (13) The minimum execution cycle of an urgent payment debiting a currency account is dependent on the currency of the debit account. For example, an urgent USD payment debiting an SEK account (a next day value currency) will have a minimum execution cycle of the next day and a USD payment debiting a THB account (two day value currency) will have a minimum execution cycle of 2 business days.
- (14) EEA = EU Member States and Norway, Iceland and Liechtenstein.
- (15) CAD = Canadian Dollar, USD = US Dollar.
- (16) For payments requiring a currency conversion, a conversion charge of up to 1.4% on the foreign exchange rate will apply.
